How to Enter Classrooms at 8:25 a.m. on August 31st:

Students must log-in to [PowerSchool](#) after 6pm on Friday, August 28 and before Monday morning Aug. 31 to view their actual schedule and teacher assignments. Students use their district login ID number and password (password same as elementary school). Students received a sticker in their planner during textbook/computer pickup with their ID number and password. Students then check their teachers' websites for the class entry codes and directions to access their teachers' Zoom Classes.

After the start of school, teachers will be available to communicate with parents and students M-F via email and/or virtual office hours. Please see teacher websites for individual teacher information; available after 6 pm, Friday, 8/28/2020, at our new website address of: lewis.sandiegounified.org

Students should expect to receive about 2 more hours of non-live/asynchronous independent learning each day. Non-live/Asynchronous independent learning time is an extension to their regular class work and is not homework.

Students' 2 hour independent/asynchronous learning time is flexible. Parents may adjust when this learning occurs based on family needs. Students allotted more independent learning time connected to History and Science than than the recurring Math and English classes.

Approximate Independent/Asynchronous Student Learning Length Times:

- History/Science: 1 hour 30 minutes Independent Learning Time (Asynchronous)
- Math/English: 45 minutes each Independent Learning Time (Asynchronous)
- PE/Electives: 30 minutes each Independent Learning Time (Asynchronous)

Teacher Office Hours: outside of the hours of 8:25 and 11:45, teachers have control over their work time. Teachers may be conferring with students and/or holding office hours during that time, but it will be up to individual teachers to communicate their schedules to students and parents and may change subject to the needs of the teachers and their students.

Reminder: Parents and/or Students use student ID and password to log on to [PowerSchool](#), to obtain, Schedules on Friday anytime after 6 p.m.
